Synagogue membership is open to all! We have suggested rates for both individual membership (1 adult) and family membership (2 adults), as well as sliding suggestions for young adults under age 32 and for full-time students. The membership year runs from July 1 to June 30. Membership includes dues and a building fund. However, we never want finances to be a barrier to membership. Dues are always adjustable upon request. Email info@conghi.org for more details on membership rates.
