

384 CAMPUS COVID-19

ATTENDANCE INSTRUCTIONS

FOR EVENTS > 5 people:

- Please remain outside the building till your event coordinator informs you it is time to start the event.
- Please assure the room containing a prior event has been empty for 30 minutes before starting the next event

FOR ALL EVENTS:

- Please maintain social distancing of 8 feet or more except to pass someone
- Please sanitize hands before entering stairways or elevators
- Please sanitize hands after touching your face, any doorknobs, handles, banisters/railings, elevator buttons or surfaces frequently touched by others and after bathroom use
- Please **ALWAYS** wear your mask covering both mouth and nose including public speaking while leading an event (unless alone in the room)
- No congregational singing indoors. If out of doors, congregants may sing at a low level
- Leaders of events may sing alone, masked, facing away from the congregation, and distanced at least 10 feet from participants
- Any event leaders who change physical positions (podium, torah reading, adjusting a microphone, etc.) should be encouraged to sanitize their hands prior to and after their change of position
- Please review the Covid-19 symptoms posted outside the building and ensure that you been symptom free for at least 14 days prior to entering.
- Inform your event coordinator if your mask is unusable and you require a replacement
- Please exit all indoor events quickly in order to minimize exposure times
- Inform your event coordinator or the Campus office if you develop symptoms within 48 hours of attendance
